**JAPANESE GIVE
WILSON APPROVAL**

Resolutions heartily approving the
steps taken by the president and con-
gress relative to war with Germany
were adopted by the Japanese Ameri-
can Citizens' Association at a meet-
ing of about 35 of their members in
Attorney Lorrin Andrews' offices last
night.

The association also went on record
as being in favor of universal mili-
tary training and will send a formal
statement to this effect to Governor
Pinkham and President Wilson. Mem-
bers of the association also offered
their services to the president in
event of war.

Edward Townsend, chairman of the
executive committee, introduced the
resolution backing up the action of
the chief executive and congress. He
was seconded by A. K. Ozawa, presi-
dent of the association. There are
about 75 members in the association,
all Japanese voters born in Hawaii.

**Everyone Should
Drink Hot Water
in the Morning**

Wash away all the stomach, liver,
and bowel poisons before
breakfast.

To feel your best day in and day
out, to feel clean inside; no sour bile
to coat your tongue and sicken your
breath or dull your head; no constipa-
tion, bilious attacks, sick headache,
colds, rheumatism or gassy, acid stom-
ach, you must bilthe on the inside
like you bathe outside. This is vastly
more important, because the skin
pores do not absorb impurities into
the blood, while the bowel pores do,
says a well-known physician.

To keep these poisons and toxins
well flushed from the stomach, liver,
kidneys and bowels, drink before
breakfast each day, a glass of hot
water with a teaspoonful of lime-
stone phosphate in it. This will
cleanse, purify and freshen the entire
alimentary tract, before putting more
food into the stomach.

Get a quarter pound of limestone
phosphate from your pharmacist. It
is inexpensive and almost tasteless,
except a sourish twinge which is not
unpleasant. Drink phosphated hot
water every morning to rid your sys-
tem of these vile poisons and toxins,
also to prevent their formation.

To feel like young folks feel, like
you felt before your blood, nerves and
muscles became saturated with an ac-
cumulation of body poisons, begin this
treatment and above all, keep it up.
As soap and hot water act on the skin,
cleansing, sweetening and purifying,
so limestone phosphate and hot water
before breakfast, act on the stomach,
liver, kidneys and bowels.—Adv.

Because Dr. Hanchett, named by
Dr. R. G. Ayer as his substitute during
his month's vacation, has not lived
here a year the appointment was dis-
approved by the board of supervisors
and Dr. Lawrence L. Patterson named
instead. The latter's name will be
presented to the board of supervisors
this evening for approval.

**ACCIDENTS KEEP
HOSPITAL BUSY**

Four accidents coming in quick suc-
cession inside of an hour last night
kept the emergency hospital ambu-
lance and attendants busy.

About 7:15 Police Surgeon R. G.
Ayer got his first case when M. G.
Silva, in an auto on North King street,
ran down John Mahuku whose left
leg was broken. He is now at the
Queen's Hospital. Silva was arrested
for heedless driving and will be heard
tomorrow. He is out on his own recog-
nizance.

Corp. McAllister, Co. 1, 32d Inf., was
the next victim. He ran to catch the
Waialae car which was just crossing
the bridge across the stream, near
Aala park. He miss his grip and was
crushed to the timber. Corp. M. J.
Blessing caught and saved him from
falling in the stream. He is now at
the Department Hospital, Fort Shafter.

Shortly after, Leong Tong was
knocked down by a car driven by W.
Wale on Hotel street near the Ho
Fat restaurant. Tong was taken from
the emergency hospital to the Queen's
Hospital. He is in a serious condi-
tion. Wale will be charged on a charge
of heedless driving April 10.

The ambulance was then caught at
the Queen's Hospital and sent to the
Standard Oil Company's premises
where James Kuszek had been dis-
embered and killed by a freight train
backing down the track. An inquest
will be held tomorrow. Kuszek was
employed by the Honolulu Lime Co.

dent.

**Says Simple Remedy
Prolonged His Life**

Dr. Caldwell's Syrup Pepsin
Effective as a Remedy
for Constipation

Among older people the various
organs of the body have a tendency
to slow up and weaken, and this is
usually first manifest in a pronounced
inactivity of the bowels.

Good health is dependent on regular-
ity in this important function; when-
ever there is the slightest indication
of constipation a mild laxative should
be taken to relieve the congestion
and dispose of the accumulated waste.
Cathartics or purgatives should not be
employed, however, these are too vic-
lent in action and their effect is only
temporary.

A mild laxative such as the com-
bination of simple laxative herbs with
pepsin, known as Dr. Caldwell's
Syrup Pepsin, is the ideal remedy. It
is gentle in its action, bringing relief
in an easy, natural manner, without
gripping or other pain or discomfort, is
pleasant to the taste, and can be ob-
tained in any drug store.

Mr. Robert Le Forgee, 918 Kirkwood
Boulevard, Des Moines, Iowa, says he
has always had a bottle of Dr. Cald-
well's Syrup Pepsin in the house for
the past eighteen years, and that by
using it occasionally as the need
arises, and in this way keeping his

health good, it has prolonged his life
and brought ease and comfort.
Dr. Caldwell's Syrup Pepsin is sold
by druggists everywhere, and costs
only fifty cents a bottle. To avoid
imitations and ineffective substitutes
be sure to get Dr. Caldwell's Syrup
Pepsin. See that a facsimile of Dr.
Caldwell's signature and his portrait
appear on the yellow carton in which
the bottle is packed. A trial bottle,
free of charge, can be obtained by
writing to Dr. W. B. Caldwell, 455
Washington St., Monticello, Illinois, or
by calling at Benson, Smith & Co.,
wholesale distributors, Honolulu.

**Announcement to the Patrons of the
Metropolitan Meat Market**

THE EXTENSIVE REBUILDING OPERATIONS at this market have arrived at a
stage where it will be necessary for the builders, the marble and tile contractors
and the refrigerating plant construction workers to "have things to themselves" for a
little while in the main part of our King street establishment.

In order that their task of installing the modern equipment may be hastened to com-
pletion, it now becomes imperative that we give them more room to work in, also to
afford them an opportunity to remove the present refrigerators on the Waikiki side of
the Market and rebuild them along the most improved lines.

We would therefore request that our patrons give us their or-
ders **BY PHONE ONLY**, beginning next **FRIDAY, APRIL 6**,
as the Market will then have to be closed for a period of from
three to four weeks.

Arrangements have been made to increase our delivery ser-
vice during this period to accommodate customers in every part
of the city. Besides the regular morning deliveries there will be
one in the afternoon also, to cover all but the far-lying districts.

Phone orders will, of course, be given as careful attention as
though purchases were made in person, and we believe that our
patrons will cheerfully adopt this means for a little while in deal-
ing with the Market of Quality.
